## **A Fresh Start: CPA College Begins a New Academic Year**

CPA College of Global Studies has officially launched its new academic year, welcoming students back to campus with energy, purpose, and a strong commitment to academic and personal growth. This new beginning marks more than just the start of classes—it reflects the college's dedication to delivering an enriching and future-focused education. With an emphasis on academic excellence and holistic development, CPA College is setting the stage for a vibrant year ahead. The institution has introduced updated curricula that blend rigorous scholarship with interdisciplinary learning, equipping students with the knowledge and skills needed to navigate an evolving global landscape. Beyond the classroom, students will benefit from a dynamic range of co-curricular programs, including workshops, seminars, and hands-on projects. These initiatives are designed to foster critical thinking, creativity, and realworld problem-solving abilities. Equally important is CPA's renewed commitment to cultivating an inclusive and respectful campus culture. This academic year places special emphasis on diversity, equity, and community engagement, ensuring that every student feels seen, heard, and empowered. From launching new academic initiatives to reinforcing its core values, CPA College is poised to offer a transformative educational experience—one that prepares students not only for success in their careers, but also for meaningful contributions to society.

## NEW LEADERSHIP IN THE NEW ACADEMIC YEAR

The new academic year brings a new leader to our college. We are delighted to announce that Mr. John Joseph Panakkal has taken charge as our new Principal, effective May 2025.

Mr. John Joseph brings a wealth of experience and a distinguished background to his new role. An alumnus of St. Thomas College and Sree Kerala Varma College, Thrissur, he has had a remarkable career serving the Indian Air Force. During his tenure, he was a most valued Instructor, Guide, Mentor, and Administrator at various training centres. For his contributions as a teacher and administrator, he had been honoured by several Commanding Officers and the Air Officer Commanding in Chief of the Indian Air Force during his service tenure. He also served as the Warrant Officer in charge of the Historical and Warrior Studies Cell (HAWs) and MPhil Cell at the College of Air Warfare in Secunderabad.

In 2005, Mr. Joseph had the distinct honour of being shortlisted as Aide-de-Camp to the former President of India, Dr. A.P.J. Abdul Kalam.

His commitment to excellence is further evidenced by his extensive involvement in historical research and the publication of handbooks on the history of the Indian Air Force, its legendary heroes, and its wars.

A skilled writer with a keen eye for detail, Mr. Joseph has also published numerous articles and stories about life in uniform. He also served as Associate Editor for several Air Force magazines during his time at the Indian Air Force Headquarters in New Delhi.

With his background in education, leadership and dedicated service to the nation, Mr. Joseph is well-equipped to guide our institution towards a more disciplined and effective teaching/learning environment.

## Global Seminar Explores Ethics of AI in Education at CPA College of Global Studies

CPA College of Global Studies hosted a prestigious global seminar titled “AI in Education: Navigating Ethics for a Global Future”, organized in collaboration with Educators Without Borders, Geneva on 26th April 2025. The event brought together renowned international scholars, researchers, and educators to engage in a thought-provoking dialogue on the ethical dimensions of artificial intelligence in the education sector. The seminar featured a distinguished panel of guest speakers, including Ayman Shihadah from the University of London, Dr. Abbas Panakkal from the University of St. Andrews, UK, Dr. Archan Mithra, academic from the University of Bangalore, and Dr. Hussain Randathani, Principal of CPA College of Global Studies. In their keynote addresses, the speakers emphasized the need for responsible integration of AI technologies in educational systems, highlighting both the potential benefits and the challenges related to privacy, bias, accessibility, and human oversight. The seminar also stressed the importance of global cooperation and culturally inclusive policies when deploying AI tools in diverse learning environments. Adding academic depth to the discussions, 20 researchers and educators from across the globe presented papers exploring various facets of AI in education—from algorithmic transparency and data ethics to the impact of AI-driven learning on traditional pedagogy. The seminar provided a platform for cross-cultural exchange and collaboration, reinforcing CPA College’s commitment to fostering global perspectives and critical inquiry. The event concluded with a call to action for educators, policymakers, and technologists to work collectively in shaping an ethical and equitable future for AI in education.

# CPA CONVOCATION 2025

## CPA CONVOCATION 2025

The fourth Convocation Ceremony of CPA College of Global Studies was held with great splendour on April 27, 2025, at 7:00 PM at the CPA Campus. The grand occasion was presided over by our esteemed Chairman, CP Abdurehiman Haji. The event was further honoured by the presence of distinguished guests including Chief Guest Dr. Aymen Shihadeh, Head of the Department of History, University of London, and Guests of Honour Dr. Abbas Panakkal (University of St. Andrews, UK), Dr. Archan Mitra (School of Media Studies, Presidency University, Bangalore), and Adv. PK Khaleemudheen (Syndicate Member, University of Calicut). Also present on this memorable evening were our Principal Dr. Hussain Randathani, Vice Principal Mr. Sadrudheen E, Administrator Mr. Ubaid T, and Finance Manager Mr. Shanavas T, along with proud parents, faculty members, and the graduating class of 2021-2024. The evening began with a majestic academic procession, marking the commencement of the convocation ceremony. A total of 264 graduates participated, radiating pride and a sense of accomplishment as they walked the stage on their special day. The dignitaries were given a warm welcome with a vibrant cultural performance featuring traditional Kerala

## CPA CONVOCATION 2025

art forms. The captivating performance by the college dance team added a unique charm to the event, leaving an indelible mark in CPA's history. The convocation concluded with a formal Vote of Thanks delivered by Mr. Ubaid T, Administrator, who expressed heartfelt gratitude to the dignitaries, management, faculty, staff, and all stakeholders for their invaluable contributions to the successful conduct of the ceremony.

# HARMONY WITH NATURE

**The National Service Scheme (NSS)**, in collaboration with the Biodiversity Club of CPA College of Global Studies, organized a tree planting programme on the occasion of **World**

**Environment Day on June 5, 2025.** The programme was inaugurated with the planting of the first sapling by the Principal, Mr. John Joseph Panakkal. He was joined by Vice Principal Mr. Sadarudheen E and Administrator Mr. Ubaid T, who also took part by planting saplings on the campus. Speaking on the occasion, the Principal highlighted the importance of conserving biodiversity and nurturing a green campus for future generations. The initiative, he noted, is a step towards instilling environmental responsibility among students. The event saw enthusiastic participation from faculty members, NSS volunteers, and students, who collectively pledged to safeguard nature by planting more trees and reducing their ecological footprint. The tree planting drive not only added to the greenery of the college premises but also reaffirmed the institution's commitment to sustainability and environmental protection.

## **M.SC. BOTANY**

### **STUDENTS EXPLORE BIODIVERSITY AT KADALUNDI BIRD SANCTUARY**

## **M.Sc. Botany Students Explore Biodiversity at Kadalundi Bird Sanctuary**

The Third Semester M.Sc. Botany students visited Kadalundi Bird Sanctuary on 12th June 2025 as part of their academic field study. The visit was organized to provide practical exposure to biodiversity, ecosystem dynamics, and conservation strategies. Accompanied by faculty members, the students observed a wide variety of flora and fauna, including numerous species of migratory and resident birds. The sanctuary, located in Kerala's Malappuram district, is a hotspot of biodiversity, especially known for its rich mangrove forests and estuarine ecosystem. During the visit, students engaged in identifying plant species, studying ecological interactions, and understanding the significance of wetland conservation. The field trip offered an opportunity to bridge classroom learning with real-world ecological observations. The experience was both educational and enriching, enhancing the students' awareness of environmental conservation and the importance of protecting fragile ecosystems like Kadalundi. Third Semester M. Sc. Botany students visited Kadalundi Bird Sanctuary.

## Hands-on Training Held on FYUGP Minor Organic Chemistry Practicals at Malabar Christian College, Calicut

The Department of Chemistry at Malabar Christian College, Calicut, successfully conducted a Hands-on Training Session for Third Semester FYUGP Minor Organic Chemistry Practicals (Semi-Micro Organic Analysis) on June 13, 2025. The session was designed to enhance the practical skills of students enrolled in the Four-Year Undergraduate Programme (FYUGP) by providing them with direct exposure to semi-micro organic analysis techniques. The training included detailed demonstrations, supervised experiments, and interactive discussions on best practices in laboratory settings. Faculty members from the Department of Chemistry led the session, ensuring that students gained valuable insights into compound identification, organic functional group analysis, and the use of specialized laboratory apparatus for semi-micro scale experimentation. Participants appreciated the hands-on approach, which bridged theoretical knowledge with real-world laboratory applications. The program highlighted the college's commitment to quality science education and skill-based learning in line with the National Education Policy (NEP) 2020.

## EXPLORING GREEN SCIENCE

As part of the academic curriculum, the 4th semester M.Sc. Botany students undertook an educational field visit to the Plant Tissue Culture Laboratory at the prestigious Arya Vaidya Sala, Kottakkal, on 17th June 2025. The visit was aimed at providing students with practical exposure to the methods and applications of plant tissue culture — a vital component of modern plant biotechnology. The students were warmly welcomed by the research and technical staff, who offered a comprehensive overview of the lab's functioning. A detailed session was conducted explaining various stages of tissue culture including explant selection, sterilization, media preparation, inoculation, subculturing, and acclimatization. The team also demonstrated the micropropagation of several medicinal plants that are extensively used in Ayurvedic formulations. This hands-on exposure greatly enriched the students' understanding of the commercial and research significance of tissue culture in preserving rare and endangered medicinal species. The visit concluded with an interactive Q&A session, during which students actively engaged with the experts to clarify their doubts and gain deeper insights into the subject. Overall, the visit proved to be a valuable learning experience, bridging the gap between theoretical knowledge and practical application in the field of plant biotechnology.

## UNLOCKING DATA MASTERY

The Postgraduate Department of Commerce and Management successfully conducted a hands-on training program titled “Mastering SPSS: A Practical Training Program” on 19th June 2025. The session was led by Mr. Shibin K, Senior Research Scholar from Feroke College, Kozhikode, who brought deep insights and practical expertise to the workshop. The objective of the program was to equip students and research scholars with the essential skills required to navigate and utilize Statistical Package for the Social Sciences (SPSS) – a powerful tool for data analysis widely used in academic and professional research. Mr. Shibin K. guided participants through key SPSS functionalities including data entry, descriptive statistics, hypothesis testing, correlation, regression analysis, and interpretation of outputs. The training session emphasized real-world application and hands-on learning, ensuring that attendees gained practical experience with the software. The workshop was well-received by participants who appreciated the structured approach, interactive methodology, and relevance to academic research and project work. The department expressed gratitude to Mr. Shibin K. for his engaging and informative session, which significantly enriched the participants' understanding of data analysis techniques. Such initiatives reaffirm the department's commitment to fostering research competencies and analytical skills among its students, paving the way for academic excellence and professional growth.

## Turning Pages, Igniting Minds: Reading Day Celebration 2025

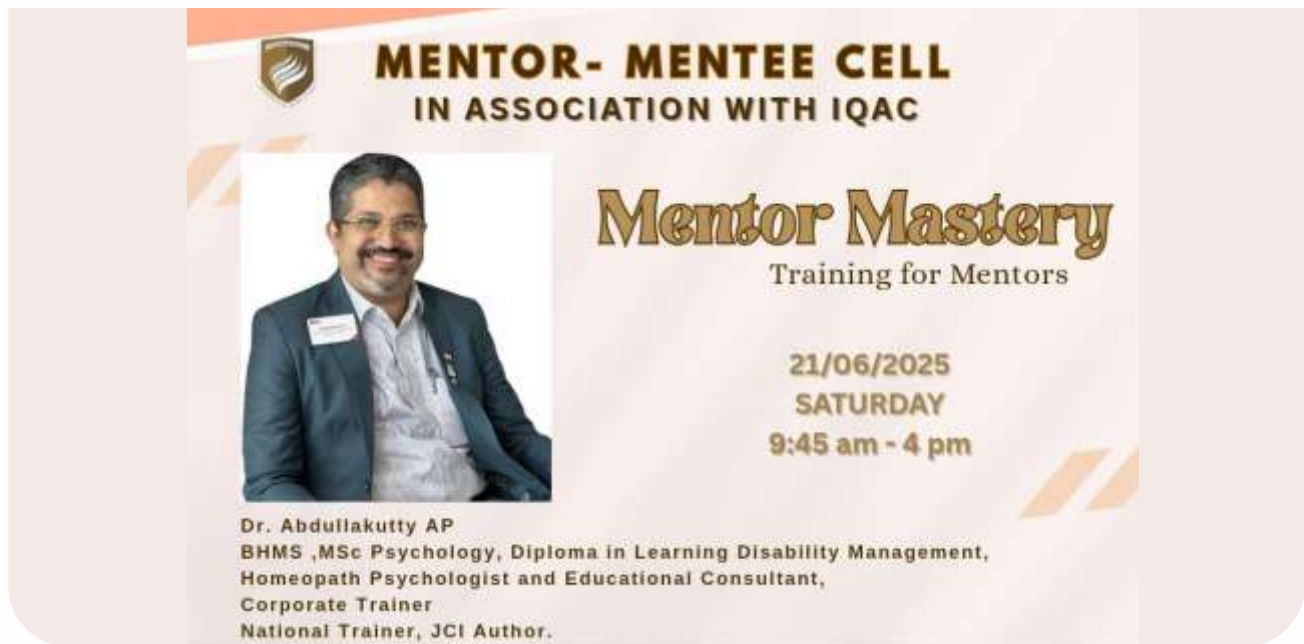

On June 19, 2025, the PG Department of English, in collaboration with the Malayalam Club, proudly celebrated National Reading Day with a vibrant array of literary events and activities that aimed to rekindle the love for reading and creative expression among students. The celebration, held on the occasion of Reading Day, commemorated the legacy of P.N. Panicker, the father of the library movement in Kerala. The event witnessed enthusiastic participation from students across various departments. A series of engaging competitions and programs were organized to mark the day. Reading Competition, Literary Quiz, Book Cover Page Designing and Short Story Writing. The event not only celebrated the joy of reading but also encouraged students to explore their creativity and critical thinking skills. The collaboration between the PG Department of English and the Malayalam Club brought together the richness of both languages and cultures, fostering a deeper appreciation for literature. The program concluded with the distribution of certificates and prizes to winners, along with an inspiring message from faculty members emphasizing the enduring power of books and the written word.

## From Ideas to Impact: One-Day Workshop on Research Methodology & Project Preparation

The Department of Management Studies successfully conducted a one-day workshop titled "An Introduction to Research Methodology and Basics of Project Preparation" on 20th June 2025, aimed at equipping students with foundational skills in academic and applied research. The session was led by Mr. Safeer Parayil, Head of the Department of Management Studies at CPA College of Global Studies, Puthanathani, who brought his extensive expertise and insights to the participants. Mr. Safeer Parayil engaged the students with practical examples, interactive discussions, and real-world applications, making complex concepts easily understandable. The session provided participants with a clear roadmap for initiating and executing research projects—an essential skill for both academic excellence and future career success. The workshop witnessed active participation and sparked meaningful dialogue among students, who left with a deeper understanding of the research process and renewed motivation to explore academic inquiry. The Department of Management Studies continues its commitment to fostering research-oriented learning and professional development through such enriching initiatives.

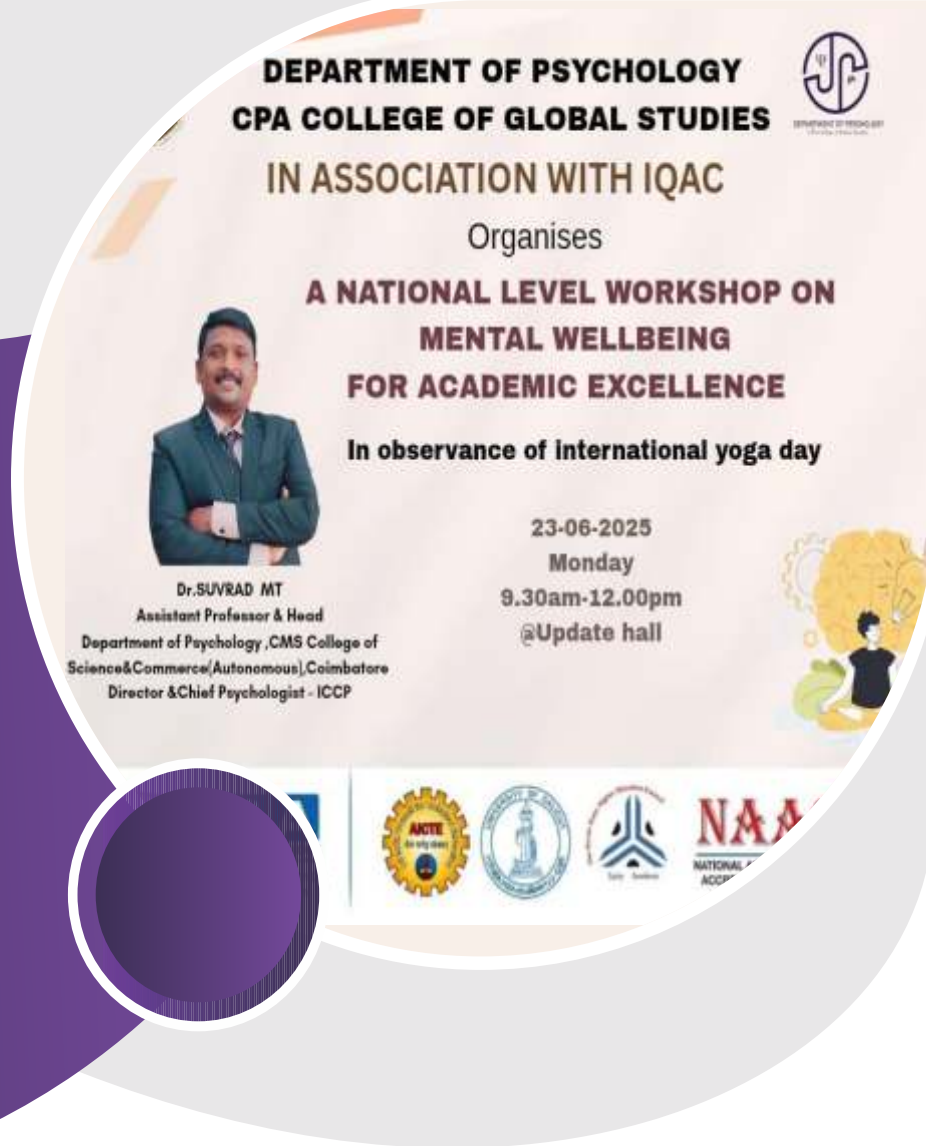

## **Empowering Excellence: A Mentor Mastery Training Ignites Mentorship Potential**

The much-anticipated "A Mentor Mastery Training" was successfully conducted on 21st June 2025, delivering an impactful and enriching experience for all participating mentors. The session was led by Dr. Abdullakutty A.P., whose extensive expertise in psychology, learning disabilities, and corporate training, brought profound insights into the art and science of effective mentoring. The training focused on enhancing the core competencies of mentorship from building trust and communication skills to understanding learner psychology and implementing structured guidance strategies. Dr. Abdullakutty's dynamic approach, combined with real-life case studies and interactive methods, kept participants thoroughly engaged and inspired throughout the session. Participants walked away with renewed clarity, actionable tools, and a deeper sense of purpose in their mentoring roles. The training not only empowered mentors with knowledge but also ignited a collective vision for fostering personal and professional growth in those they guide. The Mentor Mastery Training by Dr. Abdullakutty A.P. proved to be a transformational experience., a definitive step toward nurturing a future generation of inspired, skilled, and compassionate mentors.

# WELLBEING MEETS WISDOM

## WELLBEING MEETS WISDOM

The Department of Psychology, CMS College of Science and Management, Coimbatore, hosted a National Level Workshop on "Mental Wellbeing for Academic Excellence" in observance of International Yoga Day on June 23, 2025. The event aimed to highlight the vital link between mental health, academic performance, and holistic wellbeing, aligning with the global ethos of Yoga Day. The workshop was expertly led by Dr. Suvrad M.T., Assistant Professor of Psychology, who brought deep insight and practical strategies to address the mental health challenges faced by students and educators alike. Dr. Suvrad emphasized the importance of integrating mindfulness, stress management, and yoga-inspired mental practices into daily academic life to enhance focus, resilience, and overall performance. His interactive session included evidence-based techniques and real-life case discussions, making it highly engaging and impactful for all participants. The workshop attracted participation from faculty, students, and mental health professionals across the country, fostering a collaborative platform for knowledge sharing and personal growth. The Department of Psychology reaffirmed its commitment to promoting mental wellbeing as a foundation for academic and life success, especially in today's high-pressure educational landscape. The event concluded with a vote of thanks and a renewed call to incorporate mental wellness practices into educational environments.

## STRENGTH IN MIND AND BODY

The NSS unit of CPA College of Global Studies successfully organized an inspiring and energetic program titled “Yoga and Self-Defence” on 23rd June 2025. The session was led by Ms. Zeenath Kokkur, a renowned instructor in Yoga, Karate, and Kalari, who brought her expertise and passion to the event. With a focus on holistic well-being and personal empowerment, the program introduced participants to essential yoga techniques for mental clarity and physical health, alongside practical self-defence skills rooted in traditional martial arts. Ms. Zeenath’s dynamic approach and hands-on demonstrations kept the audience engaged throughout the session. The event aimed to raise awareness about the importance of self-care, fitness, and self-protection, especially among youth. It concluded with an interactive Q&A, where students expressed their appreciation and enthusiasm for more such initiatives. The NSS unit's commitment to student development was once again highlighted through this impactful and well-received program. A large number of NSS volunteers enthusiastically participated in the session, actively engaging in both yoga practices and self-defence techniques demonstrated by the resource person. The programme received positive feedback from students, highlighting the importance of self-awareness, safety, and holistic health. The event concluded with a vote of thanks, expressing gratitude to the resource person and the college authorities for their support in making the event a success.

## FINANCIAL LITERACY ORIENTATION

On 3rd July 2025, the Postgraduate Department of Commerce proudly conducted a Financial Literacy Orientation Programme aimed at equipping teachers and parents with essential knowledge for financial wellness. The session was led by Mr. Shal Mohan, a renowned international corporate trainer and financial wellness coach, whose expertise captivated and educated the audience. Held with the vision of promoting financial awareness and responsible money management, the orientation focused on practical strategies for budgeting, saving, investing, and planning for a secure financial future. Mr. Mohan emphasized the importance of early financial education in schools and families, encouraging both educators and parents to become proactive financial role models. Interactive discussions, real-life case studies, and engaging activities made the programme highly impactful and relevant. Attendees appreciated the clarity and applicability of the concepts presented, especially in today's rapidly changing economic landscape. This initiative reflects the PG Department of Commerce's commitment to holistic development and community empowerment. By fostering financial literacy among key influencers like teachers and parents, the department continues to build a foundation for a financially informed and resilient society.

## **Dheeksharamb 2025: A Grand Welcome to the CPA Family**

CPA came alive with excitement and anticipation as it hosted “Dheeksharamb 2025”, the official Induction Programme to welcome the new batch of students for the academic year 2025–26. Held with great enthusiasm and spirit, Dheeksharamb served as a vibrant platform to introduce the ethos, values, and vision of CPA, helping new students feel at home as they embark on their academic journey. The programme featured a mix of motivational addresses, interactive sessions, cultural performances, and faculty introductions, all designed to foster a sense of belonging and community. Senior faculty members and mentors shared words of encouragement, emphasizing the importance of academic excellence, discipline, and holistic development. The event also highlighted CPA’s legacy of nurturing not just scholars, but responsible citizens and future leaders. With hearts full of hope and minds ready to explore, the freshers were officially inducted into the CPA family, setting the tone for a transformative and enriching year ahead.

# MALABAR BIRYANI MASTERCLASS STEALS THE SPOTLIGHT

In a celebration of Malabar's rich culinary legacy, food lovers were treated to an unforgettable gastronomic experience at the Malabar Biryani Masterclass, led by the renowned Mrs. Nadeera Haneefa—famously known as the Pachakarani of Rose Brand from Malappuram district. The exclusive masterclass, expertly curated by Faab Events, brought together food aficionados, aspiring chefs, and Biryani enthusiasts under one roof, where tradition met technique in the most flavorful way. The event was held in collaboration with Rose Brand, and was proudly powered by CPA College, Puthanathani, making it a true community celebration of culture, cuisine, and creativity. Mrs. Nadeera Haneefa, with her signature warmth and expertise, took participants on a journey through the art of crafting the perfect Malabar Biryani— sharing age-old secrets, intricate spice blends, and time-honored cooking methods that have made her a household name in Kerala and beyond. From layering techniques to the perfect 'dum' (steam cooking), attendees gained firsthand knowledge and tasted the passion that defines authentic Malabar cuisine. The aroma of spices, the vibrant colors, and the taste of tradition left everyone in awe, turning the event into more than just a culinary workshop—it became a memory to savor. The success of the event marks a promising step in preserving and promoting regional culinary heritage, while inspiring a new generation to take pride in the flavors of their roots.

# STRENGTHENING STANDARDS

## STRENGTHENING STANDARDS

In a focused initiative to reinforce academic quality and compliance, the Internal Quality Assurance Cell (IQAC) of Safi Institute of Advanced Studies conducted a Faculty Development Programme (FDP) exclusively for NAAC Criteria Heads on 19th July 2025. Themed "Quality Assurance in Higher Education – AQAR Framework and Implementation," the session was led by Dr. Servin Wesley, the institution's IQAC Coordinator and an expert in quality assurance practices in higher education. This specially curated FDP was designed to equip Criteria Heads with the practical tools and conceptual clarity needed to effectively navigate the Annual Quality Assurance Report (AQAR) framework, which is integral to the NAAC assessment process. The session emphasized the interconnectedness of the seven NAAC criteria, encouraging a collaborative and evidence-based approach to report generation. Participants were given access to practical templates, real-case examples, and guided exercises to help streamline AQAR processes within their respective domains. Interactive discussions fostered a vibrant exchange of ideas, ensuring that the Criteria Heads left with not just theoretical knowledge but actionable strategies for implementation. The programme concluded with a commitment to institution-wide coordination and continual quality enhancement, making it a significant milestone in the institution's journey toward academic excellence.

# Future Forward: Developing Leaders Through Teamwork

A dynamic and engaging program titled “Teamwork and Leadership” was conducted for the second-year undergraduate students on 23rd July 2025. The session was led by esteemed resource persons Mr. Jaleel and Mr. Riyas, who brought their rich experience and insights to the forefront. The workshop focused on the essential skills of effective collaboration and leadership in academic and professional settings. Through interactive activities, real-life scenarios, and practical strategies, students gained valuable knowledge about communication, problem-solving, team dynamics, and taking initiative as future leaders. Participants actively engaged in discussions and group tasks that highlighted the importance of trust, cooperation, and adaptive thinking. The resource persons emphasized the role of self-awareness and emotional intelligence in becoming impactful leaders and team players. The session concluded on an inspiring note, leaving students motivated and better equipped to face challenges with confidence and a collaborative spirit. Feedback from participants was overwhelmingly positive, reflecting the success of the program in achieving its learning objectives.

## Shaping Tomorrow: Guiding Future

To bridge the gap between academia and the professional world, the Career Guidance and Placement Cell of CPA College of Global Studies organized an impactful Orientation Programme for final-year undergraduate students. The session aimed to equip students with the necessary insights, strategies, and tools to navigate their career paths confidently. The programme was expertly coordinated by Ms. Anjana R, Programme Manager at Kerala Development and Innovation Strategic Council (K-DISC). With her extensive experience in career development and youth empowerment, Ms. Anjana brought a fresh and practical perspective to the session. The session received overwhelmingly positive feedback. Students appreciated the clarity, motivation, and practical guidance shared by the speaker. It ignited a sense of purpose and urgency among the attendees to actively shape their career trajectories. The orientation programme served as a timely intervention for final-year students standing at the threshold of their professional journey. The Career Guidance and Placement Cell, under the leadership of committed educators and in collaboration with organizations like K-DISC, continues to create meaningful opportunities for student growth.

# Being Well, Staying Well

## Being Well, Staying Well

In an inspiring and thought-provoking session titled “Being Well-Being”, the Women Development Cell (WDC) of CPA College of Global Studies successfully hosted a wellness talk on 5th August 2025, featuring renowned psychologist Ms. Anju Gafoor from BODHINI – A Convey for Mindful Living (NGO). The event was exclusively organized for WDC members, focusing on the increasingly relevant theme of mental well-being and mindful living in today's fast-paced world. Ms. Anju Gafoor, a passionate advocate for holistic wellness, delivered an engaging and interactive session that resonated deeply with the attendees. With warmth and clarity, she explored the concept of “Being Well” – emphasizing the need to align emotional, mental, and physical well-being through simple yet powerful practices of self-awareness, mindfulness, emotional regulation, and compassionate self-care. Drawing from real-life examples, psychological insights, and her work at BODHINI, Ms. Anju Gafoor highlighted how small shifts in mindset and daily routines can make a profound difference in one's overall quality of life. Participants were guided through short breathing techniques, grounding exercises, and reflective discussions that helped foster a deeper connection to the present moment and themselves. The session also addressed common mental health challenges faced by women and students, encouraging open conversations and de-stigmatization of emotional struggles. The event concluded with an interactive Q&A session, where Ms. Gafoor responded to personal queries with empathy and practical advice. The feedback from participants was overwhelmingly positive, with many expressing gratitude for such a meaningful and empowering experience. This impactful initiative by the Women Development Cell marked yet another step in promoting mental wellness, gender sensitivity, and self-empowerment within the college community.

# Building Careers in Food Safety: Certification

## Orientation for a Safer Tomorrow

The Department of Food Technology successfully conducted an orientation programme titled "Certification Beneficiary for Career in Food Safety" on 5th August 2025. The session was designed to enlighten students about the growing opportunities in the field of food safety and how professional certifications can pave the way for a robust career in this vital sector. The resource person for the event was Mr. Harikumar P, Business Development Manager, who brought with him a wealth of knowledge and experience from the industry. His insightful presentation shed light on various national and international certifications that enhance employability and credibility in the food safety domain. Mr. Harikumar emphasized the importance of skill-based learning and continuous professional development. He elaborated on career pathways, industry demands, and the role of food technologists in ensuring public health and compliance with safety regulations. Real-world examples and case studies added depth to the discussion, keeping the audience highly engaged throughout the session. Students actively participated in the interactive Q&A segment, seeking clarity on certification processes, eligibility, and job prospects. The session proved highly beneficial for aspiring professionals looking to build a strong foundation in food safety. The department extends its sincere gratitude to Mr. Harikumar P for his valuable time and contribution, and looks forward to more such collaborative initiatives to empower students for successful careers in the food industry.

ORIENTATION FOR A SAFER  
TOMORROW**

## STRESS MANAGEMENT

MONDAY & TUESDAY

11 & 12 AUG 25

**Vineeth**  
creative Courage Coach

# MASTERING MIND

## MASTERING MIND

On 11th and 12th August 2025, the CPA College of Global Studies hosted an engaging and transformative Stress Management Workshop exclusively for Second Year Undergraduate Students. The session was led by the dynamic and inspiring Mr. Vineeth, a renowned Creative Courage Coach, known for his interactive and unconventional methods to tackle mental health challenges. Over the course of two days, students were taken on a deep dive into the psychology of stress, its impact on academic performance and daily life, and practical strategies to overcome it. Mr. Vineeth's unique approach — blending storytelling, creative expression, mindfulness, and real-world examples — kept the audience captivated throughout. Students left the session feeling more empowered, self-aware, and equipped to face academic pressures with a balanced mindset. Many appreciated Mr. Vineeth's relatable style and practical tips, which made the session not just informative, but truly transformational. The event was a resounding success, emphasizing CPA College's commitment to the holistic well-being of its students. As stress continues to be a major concern among youth, such initiatives pave the way for a healthier, more mindful generation.

## SOWING SEEDS OF KNOWLEDGE

In a commendable effort to bridge the gap between education and practical experience, the NSS unit of CPA College organized an educational visit to Athavanad Krishibhavan on 7th August 2025. The visit was aimed at enhancing students' understanding of agriculture and its modern-day practices, aligning with NSS's commitment to community engagement and sustainable development. During the visit, students had the opportunity to interact with key agricultural experts including: Ms. Sumayya, Agricultural Officer, Ms. Shimna, Assistant Agricultural Officer, Mr. Aboobacker K, NSS Program Officer, CPA College and Ms. Varsha Raj. The session covered a wide range of topics including sustainable farming methods, soil health management, crop rotation techniques, and government schemes available for farmers. The resource persons provided in-depth insights and answered queries raised by the students, making the experience both informative and engaging. The visit not only deepened the participants' appreciation for agriculture but also encouraged them to consider the vital role of youth in promoting eco-friendly and sustainable farming practices. It was a day of learning, inspiration, and reflection for all involved.

## STUDENTS EXPLORE FOREST RESEARCH AT KFRI, PEECHI

The Department of Zoology successfully organized an educational field visit to the Kerala Forest Research Institute (KFRI), Peechi, Thrissur, on 8th August 2025 for the 5th semester Zoology students. The visit aimed to bridge classroom learning with real-world research and conservation practices. Upon arrival, students were welcomed by the research staff and given an introduction to the institute's pivotal role in forest conservation, biodiversity research, and sustainable resource management. The students had the opportunity to explore various research divisions including Entomology, Wildlife Biology, Forest Genetics, and the renowned KFRI Arboretum, which houses a vast collection of rare and endemic plant species. Interactive sessions with scientists provided valuable insights into ongoing projects in ecological restoration, wildlife conservation, and climate change impact studies. A special highlight was the visit to the KFRI Insect Museum, where students observed diverse insect species and learned about their ecological significance. The field visit proved to be an enriching experience, enhancing the students' understanding of applied zoological research and the importance of conserving forest ecosystems. It also inspired many to consider careers in research and environmental conservation. The Department of Zoology extends heartfelt thanks to the KFRI team for their hospitality and knowledge-sharing, and looks forward to more such fruitful academic collaborations in the future.

## Cultivating Knowledge: MSc Scholars Explore the Science of Life at Arya Vaidya Sala

As part of their academic curriculum, the 3rd semester M.Sc. students undertook an insightful field visit to the Molecular Biology and Tissue Culture Laboratories at Arya Vaidya Sala on 8th August 2025. The visit was aimed at enhancing the students' practical understanding of advanced biological techniques and their applications in traditional and modern medicine. During the visit, students received a comprehensive orientation about the ongoing research at Arya Vaidya Sala, which is a pioneering institution in integrating Ayurveda with modern scientific methods. In the Molecular Biology Lab, students observed techniques such as DNA extraction, PCR, and gene expression analysis, gaining exposure to how molecular tools are used in validating medicinal plant properties and ensuring quality control in herbal formulations. In the Tissue Culture Lab, students witnessed the propagation of rare and medicinal plant species through micropropagation techniques.

The session highlighted the importance of tissue culture in conserving endangered plant species and maintaining genetic purity in medicinal plant production. Interactive discussions with the researchers provided valuable insights into how traditional knowledge and modern science can work hand-in-hand for healthcare innovation. The visit proved to be both informative and inspiring, reinforcing theoretical knowledge with hands-on observation and real-world applications. The Department extends sincere thanks to the team at Arya Vaidya Sala for facilitating such a well-organized and enriching academic experience.

## Turning Pages and Planting Ideas

On 13th August 2025, the Literary Club of CPA College embarked on an inspiring visit to Book Farm, located at Kottakunnu, Malappuram. The trip was a unique blend of literary exploration and environmental consciousness, offering students a refreshing perspective on reading, creativity, and sustainable living. The Book Farm, known for its eco-friendly ambiance and vast collection of literature, provided a serene setting that sparked meaningful discussions and reflections among the club members. Students engaged in interactive sessions, explored rare books, and enjoyed the natural beauty surrounding the farm. This visit was more than just an academic outing—it was a celebration of literature, imagination, and community. The members returned enriched, motivated to nurture their literary pursuits and contribute creatively to the club's future endeavours.

## From Factory Floors to Forest Trails

The Postgraduate Department of Commerce organized an Industrial Visit cum Nature Camp for the 5th Semester B.Com Finance students on 11th and 12th August 2025. This unique two-day program was designed to blend academic learning with environmental awareness, offering students a perfect balance of industry exposure and eco-experiential learning. On Day 1, students visited the KINFRA Techno Industrial Park, Kakkanchery, where they were introduced to various industrial processes, infrastructure facilities, and entrepreneurial opportunities available within the park. The visit provided invaluable insights into the functioning of industrial units, supply chain mechanisms, and the integration of technology in modern business practices. The interactive sessions with industrial experts helped students bridge the gap between theoretical knowledge and real-world application. On Day 2, the group ventured into the lush greenery of 900 Kandi, Wayanad, a hidden gem known for its natural beauty and ecological significance. The nature camp aimed at fostering a sense of environmental responsibility among students. Activities included guided treks, team-building exercises, and discussions on sustainability and conservation. The serene

of Wayanad offered a refreshing break and an opportunity to reflect on the importance of preserving nature amidst rapid industrialization. The visit successfully combined academic enrichment with environmental consciousness, leaving students inspired, informed, and invigorated. The Department's initiative was highly appreciated by the participants, who returned with not just memories, but a deeper understanding of the business world and the natural environment.

## INDEPENDENCE DAY CELEBRATION

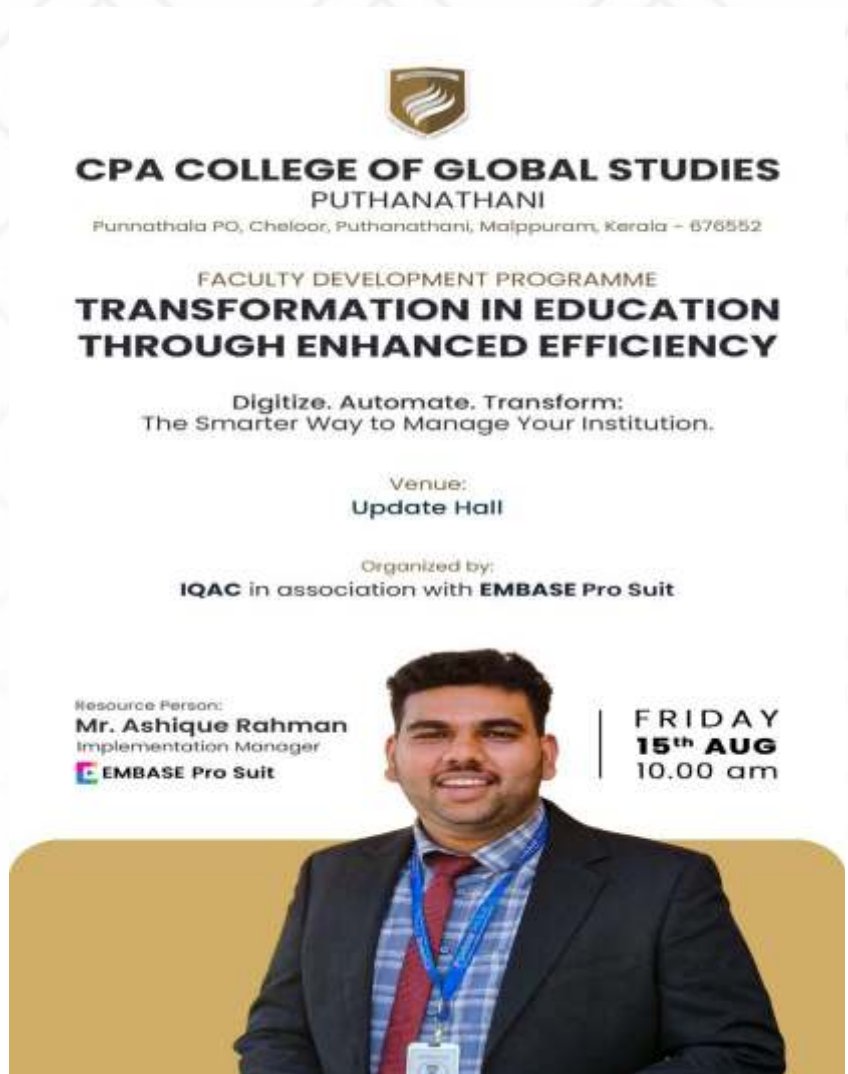

On 15th August 2025, the NSS unit of CPA College marked the 78th Independence Day with great enthusiasm and patriotic fervor. The celebrations witnessed active participation from both teachers and students, who came together to honor the spirit of freedom and unity. A highlight of the event was the soulful rendition of patriotic songs, filling the campus with national pride and emotion. The performances reflected the dedication and respect the students hold for the country and its freedom fighters.

The occasion was graced by the esteemed presence of Principal Mr. John Joseph and College Administrator Mr. Ubaid T, who addressed the gathering and emphasized the importance of remembering the sacrifices made for India's independence. Their words inspired students to uphold the values of unity, service, and responsibility towards the nation. The event concluded with the national anthem, leaving everyone with a renewed sense of patriotism and commitment to the nation's progress.

# Empowering Educators: Faculty Development Programme Sparks Educational Transformation

On the 15th of August 2025, an impactful Faculty Development Programme was held under the banner “Transformation in Education Through Enhanced Efficiency”. The session was led by Mr. Ashique Rahman, a seasoned Implementation Manager from Embase Pro Suit, who brought with him a wealth of experience and insight into modern educational tools and strategies. The programme aimed to equip faculty members with innovative approaches to improve efficiency in academic settings, streamline learning experiences, and integrate technology more effectively. Mr. Rahman engaged the participants with real-world case studies, interactive discussions, and demonstrations of Embase Pro Suit’s powerful features tailored for academic excellence. Attendees found the session not only informative but also highly inspiring, as it shed light on the evolving landscape of education and the need for educators to adapt proactively. The programme concluded with a Q&A segment, where Mr. Rahman addressed questions and encouraged faculty to embrace a culture of continuous improvement. This development programme marked a significant step toward fostering a future-ready teaching community—empowered, efficient, and committed to transformation.

## MASTERING THE MIND

To support the emotional well-being and holistic development of first-year students, a highly insightful session on Stress Management was organized on 20th August 2025. The session was led by Mr. Subhash Nair, a JCI India Zone Trainer, Life Skill Coach, and Personal Mentor, who brought his rich experience and dynamic approach to the stage. The session began with an ice-breaking interaction that immediately captured the attention of the young audience. Mr. Nair explained the nature of stress, its impact on mental and physical health, and how students can identify stress triggers in academic and personal life. Through engaging activities, real-life anecdotes, and mindfulness exercises, Mr. Nair emphasized the importance of emotional regulation, time management, self-awareness, and positive thinking. He shared practical techniques like deep breathing, visualization, and goal-setting, making it easy for students to relate and apply these strategies in their daily lives. The session concluded with an open Q&A, where students actively participated and expressed their concerns and takeaways. It was evident that the session helped students feel empowered and better equipped to manage the pressures of college life.

# Shaping Tomorrow: Pathway to India's Top Institutes

In an inspiring step toward academic excellence and career advancement, CPA College of Global Studies organized a dynamic and enlightening session titled "Opening Gateways to Premier Institutes in India" on 20th August 2025, exclusively for the final year BSc Psychology students. The programme aimed to empower students with in-depth knowledge about opportunities for higher studies in prestigious institutions such as TISS, NIMHANS, IITs, and Central Universities, focusing on entrance exam strategies, eligibility criteria, and career paths in psychology and allied fields. The session was met with overwhelming enthusiasm, with students expressing newfound clarity and motivation to pursue further studies in reputed institutes. The resource persons, comprising alumni and academic mentors, provided practical tips and real-life experiences, leaving a lasting impact. This programme reflects CPA's continued commitment to holistic student development and academic empowerment, ensuring that every student is equipped to reach new heights.

# SAY NO TO DRUGS, SAY YES TO LIFE

## Say No to Drugs, Say Yes to Life

In a powerful initiative aimed at shaping a safer and more responsible student community, the NSS Unit of CPA College organized an impactful awareness programme in association with the Kerala Police, Motor Vehicle Department, and the Excise Department. The event focused on three critical issues affecting youth today: Anti-Narcotics, Anti-Ragging, and Road Safety. The programme was held for all students of CPA College, creating a space for open dialogue, education, and empowerment through the voices of key law enforcement officials and social influencers. Guest Speakers Who Made a Mark: Abdul Kareem Chalil (Motor Vehicle Inspector) delivered an eye-opening session on road safety, underlining the importance of traffic rules, helmet usage, and

responsible driving. Saleem K (Circle Inspector, Kalpakanchery) spoke passionately on anti-ragging and the legal and emotional consequences of such actions, urging students to foster a culture of mutual respect and inclusivity. Biju Parol (Assistant Excise Inspector) led a hard-hitting awareness talk on the dangers of drug abuse, emphasizing how even small choices can lead to lifelong consequences. The event was graced by the presence of: Principal John Joseph, Administrator Ubaid T, and General Manager C.V. Basheer, who together reinforced the college's strong commitment to student welfare, discipline, and social responsibility. The programme left a lasting impression on the student body, inspiring them to take a stand against drugs, ragging, and reckless behavior on the road. The collaborative efforts of the NSS Unit and various departments exemplify how community partnerships can play a crucial role in youth development.

## Highway to Awareness: PTA General Meeting Sparks Insightful Meaning

The PTA General Meeting for all first-year students and their parents was successfully held on Tuesday, August 26, 2025. The event took place on the school premises with a strong turnout of students, parents, and faculty members, setting the tone for a collaborative academic year ahead. The meeting was graced by the presence of Nazeer Thirurkkad, Sub Inspector of Highway Police, Valanchery, who served as the chief guest. In his impactful address, SI Nazeer emphasized the importance of road safety, student discipline, and the collective responsibility of schools and parents in shaping responsible citizens. The session was presided over by Principal John Joseph, who welcomed the gathering and laid out the academic vision for the year. He stressed the need for consistent communication between parents and teachers to ensure students' overall development. Administrator Ubaid T shared valuable insights on institutional policies and encouraged parents to actively engage with school programs and initiatives. PTA Coordinator Ms. Shimna anchored the event and coordinated the interactive sessions, facilitating a healthy exchange of thoughts and concerns between parents and faculty. The meeting concluded on a positive note, with parents appreciating the school's efforts in fostering transparency, safety awareness, and holistic education.

# THARANG 2K25

## THARANG 2K25

The CPA College of Global Studies was awash with colour, culture, and camaraderie as it celebrated Onam 2025 with great enthusiasm and grandeur on the 25th and 27th of August. The campus transformed into a vibrant tapestry of tradition, as students and faculty alike came together to honour Kerala's harvest festival with a dazzling array of programmes and competitions. Over the two-day celebration, the college witnessed an explosion of talent and creativity through various cultural events, including traditional dances, pookkalam (floral carpet) designs, Onappattu (Onam

songs), and fun-filled games that brought the entire campus to life. Teachers also joined the festivities, making the event a truly inclusive celebration of unity and joy. A major highlight of the celebration was the inter-departmental competition, where different departments competed across various categories showcasing their spirit and skill. After an intense and spirited contest, the Department of Tourism emerged victorious, clinching the first prize with their exceptional performances and vibrant display of Kerala's rich traditions. The Onam celebration at CPA College of Global Studies was not just a cultural fest, but a heartwarming reminder of unity in diversity — a perfect reflection of the values that Onam stands for.
